

Basic Behavioural Adjustment Programme

What's included in this package...

- After your initial enquiry, we will ensure this is the right programme for you, and leave you with anything that may need to be addressed immediately. A possible vet referral may be sought before training commences.
- Our extensive questionnaire will then be sent to you. Please do not rush when filling this out, the more information that can be provided, the better that will be for our training.
- A video/call appointment will then take place to discuss the questionnaire. This will last up to 45-minutes.
- Two training sessions will then take place from your home or training areas, both lasting 90 minutes.
- Aftercare throughout and once training has concluded is free.
- Finally, after each training session, a write-up will be sent to you, keeping you on track between sessions.

Total - 250

5 hours of trainer input and training
